Welcome to TAIWAN

Subsidy Items

NSTC will provide each participant with a **subsidy of NT\$1,000 (approximately USD 30) per day** for an internship period ranging from a minimum of **28 days** to a maximum of **90 days**.

The PI will receive **NT\$10,000 per intern hosted** as an internship operating expense.

Internship period and Quota

Up to **600** interns will be accepted in 2025.

Interns may begin their internships between **June 2025** and **December 2025**, lasting from **28 days** to **90 days**.

The application process must be completed **at least 3 months prior to** the start of each internship period.

Eligibility

Eligible applicants are undergraduate and graduate students of foreign nationalities studying abroad. Applicants should have expertise in Taiwan's key science and technology fields, including humanities and social sciences.

Host Institutions

Host Institutions primarily include universities, research institutions, and laboratories in Taiwan.
