(Please note: The download of the guide starts automatically)

Accommodation

Our institution supports international students/staff in finding accommodation, according to the requirements of the Erasmus+ Charter for Higher Education. It offers allocated places in student residences and informs about private accommodation offers, as there are not enough places in student residences.

Cost of Living

The cost of living is around EUR800–900 (for accommodation, meals, books, trips etc). In addition, approx. EUR320 must be paid for the semester contribution before enrolment. This contribution includes a ticket for free public transport on local and regional trains/buses in Germany for the whole semester, i.e., six months.

Visa

If required, our institution will provide assistance in securing visas for incoming and outgoing students/staff, according to the requirements of the Erasmus Charter for Higher Education. Information and assistance can be provided by contact person for incoming and international students.

Insurance

Our institutions will provide assistance in obtaining insurance for incoming and outgoing students/staff, according to the requirements of the Erasmus Charter for Higher Education.

We will inform incoming students of cases in which they are not automatically covered by their existing insurance.
