

DORMITORY REGISTRATION SUMMER 2026 - SINGLES

Registration period for the summer term: June 1, 2026 – June 3, 2026

- Residents who wish to remain in their current room/apartment during the summer must register during the following dates. The request will be approved unless they receive notice from the regional office regarding relocation due to renovations or a summer conference.
- It is possible to request summer housing even if no summer courses are being taken.
- Residents requesting to move to different dormitories, or students requesting to enter the dormitories during the summer, must indicate 3 preferences for dormitory types. Preferences should be selected according to the academic points accumulated at the time of application and according to the following division:

Academic Points	Dormitory Options
Up to 20	Lower Campus - Rifkin, single room Amim (girls only)
21-50	Canada, Old East, Neve America
51-80	New East, Segel Zutar
81+	Hasmacha, Broshim, Senat renewed (Senat renewed is intended for returning residents only)

Clarifications Regarding Registration

- Responses will be sent by email up to two weeks after the registration period ends.
- Students who live in the dormitories during the summer period and are found eligible for dormitories in Winter Semester 2026–2027 may continue living in the dormitories continuously.
- Please note that relocation to another apartment within the area or to another dormitory area before the winter semester may occur according to the winter semester placement decisions.

Dates and Deadlines

- Leaving the dormitories at the end of the spring semester: until August 20, 2026, coordinated with the building supervisor at least 3 days in advance.
- Transfer date between dormitory areas for the summer semester and entry of new summer residents: August 25, 2026, between 09:00–14:00. Keys will be collected from the regional dormitory office.
- Summer dormitory evacuation will take place only on the following two dates: September 10, 2026 and October 12, 2026
