

2026-2027 Winter Dormitory Payments Update

Students Who Are Dormitory Residents

As of the 2025-2026 Winter Semester, an update will take effect regarding payments for dormitory accommodations:

- ! A dormitory resident who cancels their eligibility up to 15 days before the start of the semester must vacate the dormitories on the departure date listed on the dormitory website.
- ! A dormitory resident who decides to vacate the dormitories from the first day of the semester (excluding the Summer Semester) up to 7 days thereafter must vacate no later than 3 days after notifying. The individual will be required to pay for the days they resided in the dormitories and will be charged a fine equal to the deposit amount.
- ! A dormitory resident who decides to vacate the dormitories on or after the 8th day of the semester (excluding the Summer Semester) must vacate the dormitories no later than 3 days after notifying. The individual will be required to pay for the days they resided in the dormitories and will be charged a fine equal to the rent based on the rate of accommodation for the remainder of the semester (except in the case of discontinuation of studies at the Technion).
